It doesn't matter where you work, we share the same risks, headaches, triumphs and heartaches.

We all started at the beginning - in a squad car. Hours, days, months and years alone on patrol and countless dollars looking for the right equipment to make our job a little easier.

Our squad cars are our office. We need access, stability and as much storage as possible. We've achieved that, plus a whole lot more. That's why we're so proud to introduce the Ultimate Patrol Bag. A piece of gear that is so innovative, we're receiving a patent on the design (pending).

Check out our website and compare the design, quality and workmanship to anything else you've seen. We're confident that when you see what we've developed, you'll recognize the bag as the real deal just like we have recognize the working cop.

Master of Science Degree in Executive Fire Service Leadership

A Master of Science in Executive Fire Service Leadership degree at Grand Canyon University will provide you with the necessary skills to pursue or enhance your career. This degree is offered entirely online, and offers you the benefit of fitting your education into your schedule. All MSEFSL courses are facilitated by doctorate-professors who possess first-hand knowledge and experience in the fire service / emergency management fields. Professors will provide an environment where current and future issues in the industry can be discussed and students will develop an understanding for strategic management, analysis, evaluation, and effective internal processes.

Kaplan College

School of Criminal Justice

Associate of Applied Science in Criminal Justice

Kaplan College offers a level of training that provides a solid foundation in criminal justice and a liberal arts knowledge base. Students have the option to pursue the technical skills of various specialized employment areas such as:

Associate of Applied Science in Criminal Justice

Whether you are currently in law enforcement, corrections, or private security, or looking to enter one of these fields, a criminal justice degree or certificate can make all the difference. In a typical 30-year career, the difference between having one or not can add up to several hundred thousand dollars. A Kaplan College program is the place to start. Gain the skills you need to advance or begin your criminal justice career. We even offer qualified Crime Scene Technician Certificate students an opportunity to intern at a top crime lab for hands-on learning.

Crime Scene Technician Certificate

The Crime Scene Technician certificate prepares students for career advancement in criminal investigation. Learn the complexities of locating, collecting, and analyzing evidence for use in court. Identify crime scene boundaries. Gain skills in searching for evidence: fingerprints, forensic identifiable material, and other items of evidentiary value. Students receive cutting-edge training in evidence collection, lab techniques, and forensic protocols.

Terrorism and National Security Management Certificate

This TNSM certificate prepares students for career advancement in terrorism and national security management. Explore the impact of terrorist violence and threats to established governments. Discern terrorist groups that endanger life and property by the use of explosives, weapons, and other violent means. Students gain insight into modern terrorism and specialized training in terrorist response and national security techniques.

The Kaplan College Self-Evaluation is your chance to provide us quickly and easily with information about your background, interests, and goals so that together we can determine if online learning is right for you.
