Kaplan College

School of Criminal Justice

Associate of Applied Science in Criminal Justice

Kaplan College offers a level of training that provides a solid foundation in criminal justice and a liberal arts knowledge base. Students have the option to pursue the technical skills of various specialized employment areas such as:

Associate of Applied Science in Criminal Justice

Whether you are currently in law enforcement, corrections, or private security, or looking to enter one of these fields, a criminal justice degree or certificate can make all the difference. In a typical 30-year career, the difference between having one or not can add up to several hundred thousand dollars. A Kaplan College program is the place to start. Gain the skills you need to advance or begin your criminal justice career. We even offer qualified Crime Scene Technician Certificate students an opportunity to intern at a top crime lab for hands-on learning.

Crime Scene Technician Certificate

The Crime Scene Technician certificate prepares students for career advancement in criminal investigation. Learn the complexities of locating, collecting, and analyzing evidence for use in court. Identify crime scene boundaries. Gain skills in searching for evidence: fingerprints, forensic identifiable material, and other items of evidentiary value. Students receive cutting-edge training in evidence collection, lab techniques, and forensic protocols.

Terrorism and National Security Management Certificate

This TNSM certificate prepares students for career advancement in terrorism and national security management. Explore the impact of terrorist violence and threats to established governments. Discern terrorist groups that endanger life and property by the use of explosives, weapons, and other violent means. Students gain insight into modern terrorism and specialized training in terrorist response and national security techniques.

The Kaplan College Self-Evaluation is your chance to provide us quickly and easily with information about your background, interests, and goals so that together we can determine if online learning is right for you.
